

Dr. Lisa Kurth, Ph.D., CBIS; Professional/Curriculum Vitae

❖ CONTACT INFORMATION

Alpine Behavior Therapy Clinic, P.C.

343 West Drake Road, Suite 280, Fort Collins, Colorado 80526

Work Phone: (970) 482-7771 / Fax Number: (970) 482-7776

Website: www.ABTClinic.com Email: drlisakurth@abtclinic.com

UC SOM Email: Lisa.Kurth@cuanschutz.edu

❖ PROFESSIONAL CREDENTIALS

Ph.D. Psychology, Health/Behavioral Medicine

Assistant Clinical Professor, University of Colorado, School of Medicine
Pediatrics Department, Developmental Section (2011-Present)

❖ EDUCATION

Ph.D. Psychology, Health/ Behavioral Medicine Northcentral University, 2008

M.S. Counseling Psychology California Lutheran University, 1988

B.F.A. (Studio Art/Music Theater) University of Colorado, Boulder, 1979

Pre-Medicine Coursework and Labs/ Front Range Community College, 2016-present

**Medical focus on Developmental Pediatrics / Integrative Psychiatry*

❖ PROFESSIONAL LICENSES / CERTIFICATIONS

Certified Brain Injury Specialist # 19928 Brain Injury Association of America, 2018

Licensed Professional Counselor # 3290 Colorado, 2002-Present

Licensed Professional Counselor #1457 Georgia, 1991-2004

Registered Psych. Assistant California 1989-1991

Registered Hypnotherapist American Hypnotherapy Assoc., 1991-present

Certified Behavioral Therapist Behavior Therapist Cert. Board, 1991-present

❖ PROFESSIONAL CLINICAL EXPERIENCE

Assistant Clinical Professor, Pediatrics, Developmental Section, University of Colorado, School of Medicine (08/2011-present). Faculty appointment investigating perinatal biomarkers of neurodevelopmental outcomes of ADHD & Autism Spectrum Disorders. Spearheading NIH ancillary epidemiological studies (Environmental Influences in Child Health Outcomes /ECHO).

Affiliate/Associate Psychology Faculty, Colorado State University, (02/2010-2013).

Faculty appointment investigating prenatal markers of ADHD and related disorders.

Clinical Director, Alpine Behavior Therapy Clinic (2004-Present)

Private group practice serving adults, and children and families. Clinical expertise includes brain injury, TBI, PTSD and post concussive conditions. Expert consultation services and comprehensive, synoptic evaluations for personal injury cases involving TBI/PTSD. Also specialize in ADHD/ASD (adults & children), neurodevelopmental and behavioral disorders, as well as academic/learning problems, parent training, anger/stress management, mood disorders, anxiety, chronic illness, and female infertility. Provide full evaluations/Psychoeducational testing; Consult on student Academic 504 /IEP Plans.

Clinical Director, Atlanta Behavior Therapy Clinic (1991-2004)

Private group practice serving multi-aged population. Clinical expertise in ADD/ADHD and ASD (adults & children), neurodevelopmental and behavioral disorders, academic issues, parent training, mood disorders, chronic illness, TBI /PTSD and female infertility.

Psychotherapist/Researcher/Pain Control and Rehabilitation Institute of Georgia, Emory University Affiliate, Department of Rehabilitative Medicine (1992-1993).

Participated in multidisciplinary (medical-psychological) team. Provided individual/group psychotherapy to acute/chronic pain/brain injured patients. Provided psychological assessments, psychoeducation and biofeedback as coping skills for pain management. Research included treatment efficacy, patient sub-grouping and outcome response.

Registered Psychological Assistant (Multiple private group practice sites) (1989-1991):

- (1) *Behavior Therapy and Family Counseling Clinic*, Westlake Village, California
- (2) *Westland Psychological Services*, Thousand Oaks, California
- (3) *Affiliated Well-Being Centre*, Thousand Oaks and Lancaster, California

Social Worker IV: Children's Demonstration Project of Ventura County, Colston Youth Center; Ventura, Thousand Oaks and Simi Valley, California (1988-1991)

Participated in multidisciplinary team providing court-ordered psychotherapy to emotionally disturbed juvenile offenders within a secure facility. Completed extensive research on treatment efficacy of this experimental interagency model. Co-authored collaborative research on this innovative treatment protocol.

Research Assistant /U.C.L.A. Neuropsychiatric Institute (Multiple (5) Positions):

1. ***Research Assistant and Psychometrist, University of California, Los Angeles (U.C.L.A)-Neuropsychiatric Institute, Camarillo State Hospital, Clinical Research Unit for the Study of Treatment Refractory Schizophrenia (1988-1989)***

Participated in multidisciplinary research team conducting routine patient assessments, behavioral interventions and data collection within secure medical facility. Participated in a collaborative research project evaluating psychopharmacological dosage reduction and behavioral intervention with chronic, treatment refractory schizophrenic patients. Co-authored case study on polydipsia within this clinical population.

2. *Research Assistant, U.C.L.A., Neuropsychiatric Institute (NPI), Camarillo State Hospital* (1988-1991) Participated in collaborative research project with Donahoe, C. and Eckman, T., in "Assessment of Interpersonal Problem-Solving Skills in Schizophrenics."
3. *Research Assistant, U.C.L.A.-N.P.I., Camarillo State Hospital* (1988-1989)
Participated in on-site, collaborative investigations with Liberman, R., Marshall, B., Bowen, L., Kuehnel, T., Kelsch, J., and Kurth, L., "The Effects of Haloperidol and Behavior Therapy in Treatment Refractory Schizophrenics: A Pilot Treatment Evaluation."
4. *Research Assistant, U.C.L.A.-N.P.I., Camarillo State Hospital* (1988-1989)
Participated in investigations with Bowen, L., Kuehnel, T., Lutzker, J., and Wallace, C., "Assessment and Effects of Attention Deficits in Schizophrenics."
5. *Research Assistant, U.C.L.A.-N.P.I., Camarillo State Hospital* (1988-1989). Participated in collaborative investigations with Bowen, L., Glynn, S., Marshall, B.D., Kurth, L. and Hayden, J., "Successful behavioral treatment of polydipsia in a schizophrenic patient."

Research Assistant, Ventura County Children's Demonstration Project (1986-1988)
Participated in collaborative investigations with Essex, D., and Jordan, D., evaluating treatment efficacy, cost effectiveness and recidivism rates of emotionally disturbed, juvenile offenders within this experimental, interagency model. First author, pilot project research, Psychology Master's Thesis, California Lutheran University.

Mental Health Associate, Ventura County Mental Health, Children's Demonstration Project, Colson Youth Center, Ventura, California, (1985-1988). Participated in multidisciplinary team providing clinic services of standardized assessments, family, group, individual and aftercare treatment to coed, incarcerated, emotionally disturbed juvenile offenders within an experimental, interagency model. Developed and implemented life skills curriculum as an educational component. Conducted programmatic evaluative research. Co-authored publication of results.

Senior Crisis Intervention Counselor, Interface Community, Newbury Park, California 1984-1985). Provided on-call crisis team intervention, emergency evaluations and outreach, in-home services to high-risk youths and families in local communities.

Employee Program Interviewer, Job Training Partnership Act (J.T.P.A.), Ventura County, California, (1984-1985). Recruited/interviewed youths/adults via program eligibility skills assessments and vocational training for future community job training and placement.

Paraprofessional Therapist, Moffat County Youth Care Center (RCCF), Craig, Colorado, (1979-80; 1982-83).

Participated in multidisciplinary team providing 24-hour treatment and supervision of adjudicated, emotionally disturbed, coed adolescents within a residential facility.

- *Clinical Advisory Member, Board of Directors, 1990-1991*, Conejo Youth Employment Services, Thousand Oaks, California.

❖ PROFESSIONAL TRAINING /CONTINUING EDUCATION COURSEWORK

2020 15th Annual NABIS Conference on Brain Injury, New Orleans, LA.

2019 13th World Congress on Brain Injury, International Brain Injury Association, Toronto, CAN.

2019 Neuroendocrine Function after Brain Injury. Brain Injury Association of America , webinar.

2019 Pseudobulbar Affect and Brain Injury. Brain Injury Association of America, webinar.

2018 34th Annual Conference on Brain Injury and Behavioral Health. Brain Injury Alliance of Colorado, November 1-2, University of Denver.

2018 Behavioral Assessment of Youth where Comorbidity is the Norm, not the Exception, Sam Goldstein, Ph.D., Webinar.

2018 Traumatic Brain Injury, Luria Neuroscience Institute, Elkhonon Goldberg, Ph.D., ABPP

2018 NABIS Conference: Brain Injury Across the Age Spectrum: Improving Outcomes for Children and Adults. Houston, TX.

2018 31st NABIS Annual Conference on Legal Issues in Brain Injury, Houston, TX.

2018 Brain Injury Summit: A Meeting of the Minds, Vail, Colorado. (Hosted by Craig Hospital and The Rocky Mountain Regional Brain Injury System).

2018, *EMDR 101: The Who, How and Why*. Seminar, Jamie Marich, Ph.D., Speaker.

2017-2018 *Certified Brain Injury Specialist Training*, Academy of Certified Brain Injury Specialists (ACBIS), Brain Injury Association of America; Certification, 2018.

The Impact of Deployment and Combat Stress on Families and Children Part II: Enhancing Resilience. Military OneSource, Department of Defense Provider Training: October, 2017.

Fundamentals of Traumatic Brain Injury. (July, 2017). Relias Learning, approved by APA.

Heads Up to Clinicians: Addressing Concussions in Sports Among Kids and Teens (July, 2017). Centers for Disease Control and Prevention (CDC) Course.

Traumatic Brain Injury (July, 2017). CEU accredited by American Nurses Credentialing Center's Commission on Accreditation.

Improving Autism Risk Factors During the Perinatal Period (January, 2017). Webinar: Autism Research Institute, Robert L. Hendren, D.O., Presenter.

Medical Terminology (Fall, 2017). Front Range Community College (FRCC). Pre-medical coursework.

Family Medicine Review (June, 2016). Symposia on *Autism Spectrum Disorder* and on *Integrative Medicine*. Faculty, University of Colorado School of Medicine. YMCA, Estes Park, CO. Sandra Friedman, M.D. (Pediatrics) and Lisa Corbin, M.D. (Integrative Med.), Presenters.

Pathophysiology, Spring, 2017, Front Range Community College (FRCC). Pre-medical coursework.

Human Anatomy & Physiology I & II w/Labs, Summer & Fall, 2016, FRCC. Pre-med courses.

Managing Emotions Under Pressure (April, 2016). Fred Pryor Seminar, Cheyenne, Wyoming.

Getting Back on Track: Understanding and Treating Executive Dysfunction and ADHD (April, 2015). Cross Country Education, Kevin Blake, Ph.D., Presenter, Webinar.

CU Mini Medical School, Online; *The Inaugural Session*. (Fall, 2014). University of Colorado School of Medicine.

The Rosenberry Conference/ Autism Start to Finish: Facilitating Independence. (May, 2014). Children's Hospital Colorado, Anschutz Medical Campus, Aurora, CO.

Autism and Other Neurodevelopmental Disorders: Practical Strategies to Improve Processing. (February, 2014). PESI, Patricia McGuire, M.D., Presenter, Cheyenne, Wyoming.

Cognitive Behavioral Therapy and Mindfulness (April, 2012). PESI, Donald Sloan, LCSW, Presenter, Cheyenne, Wyoming.

24th *International OTIS Conference* (June, 2011). Coronado Island, California

22nd *Annual International ChADD Conference on ADHD* (November, 2010). Atlanta, GA.

Social Difficulties of Learning, Attentional and Autism Spectrum Disorders. (October, 2010)
Cross Country Education, Kevin Blake, PhD., Presenter, Cheyenne, Wyoming.

7th International Hershey Conference on Develop. Brain Injury (June, 2010). Snowbird, Utah.

Smart but Scattered: Helping Children and Adolescents with Executive Dysfunction at Home and at School (March, 2010). PESI, Cheyenne, Wyoming. Richard Guare, PhD., Presenter.

117th Annual Conference of the American Psychological Association (APA) (August, 2009).
Toronto, CAN.

Multiple seminars and workshops on topics including *ADHD, Childhood Disorders, Child Development and Parenting Skills Training* presented by International ADHD Experts: Russell Barkley, Ph.D., Sam Goldstein, Ph.D., Daniel Amen, MD, and Melvin Levine, MD.

❖ COLLEGIATE TEACHING EXPERIENCE

Guest Lecturer (1988-1991). California Lutheran University, Counseling Psychology Graduate Program: Thousand Oaks, CA. *Lecture topics included conducting research, writing research proposals, psychometric testing protocols, counseling techniques, etc.*

Undergraduate Fine Arts Instructor (1984-1985).

California Lutheran University, Continuing Education: Thousand Oaks, CA. *The Watercolor Diet; A Course in Intermediate-Advanced Techniques in Watercolor Painting.*

Undergraduate Fine Arts Instructor (1981-1983).

Colorado Mountain College, Steamboat Springs, Colorado. *Watercolor as Self Expression; A Beginning Course in Watercolor Painting.*

Undergraduate Fine Arts Instructor (1979-82).

Colorado Mountain College, Steamboat Springs, CO. *Advanced Water-media Painting.*

❖ SCIENTIFIC RESEARCH PROJECTS

Intrapartum Exposure to Synthetic Oxytocin and Neurodevelopmental Outcomes in Children: Risk and Influence of Maternal BMI. *Environmental Influences on Child Health Outcomes (ECHO).* Nationwide collaborative NIH project. **Kurth, L.** (PI). University of Colorado School of Medicine, School of Public Health; Johns Hopkins University School of Medicine, School of Public Health and multiple academic collaborative cohorts throughout the U.S. (*study currently ongoing*).

Neurodevelopmental Consequences of Prenatal Exposure to Synthetic Oxytocin?

Findings from the Healthy Start Study. University of Colorado School of Medicine. Anschutz Medical Campus. *Ancillary project(s) of the Healthy Start Study* (NIH funded ancillary study, UC SOM Dept. of Epidemiology). Shapiro, A., (PI) **Kurth, L.**, Dabelea, D., Sladek, C., Burd, I., Glueck, D. and Ringham, B. (*study currently ongoing*).

Assessing Neurobehavioral Consequences of Perinatal Exposure to Synthetic Oxytocin. University of Colorado School of Medicine, Anschutz Medical Campus. Pharmaceutical (SHIRE) grant-funded project (translational animal [rat] model). 10/2013-10/2014. Sladek, C. (P.I.), **Kurth, L.**, Friedman, S., Mesches, M., Busquet, N., and Manuel, C. (*study completed*).

❖ **SCHOLARLY POSITIONS**

2015-present. *Journal Reviewer, Journal of Abnormal Child Psychology*

2012-present. *Journal Reviewer, Journal of Attention Disorders*
