❖ CONTACT INFORMATION

Alpine Behavior Therapy Clinic, P.C.

343 West Drake Road, Suite 280, Fort Collins, Colorado 80526 Work Phone: (970) 482-7771 / Fax Number: (970) 482-7776

Website: <u>www.ABTClinic.com</u> Email: <u>drlisakurth@abtclinic.com</u>

Faculty UC SOM Email: Lisa.Kurth@cuanschutz.edu

❖ PROFESSIONAL CREDENTIALS

- ❖ *Ph.D. Psychology*, Clinical Health/Behavioral Medicine
- Assistant Clinical Professor, University of Colorado, School of Medicine, Pediatrics Department, Developmental Section (2011-Present)
- ❖ Certified Autism Spectrum Disorder Clinical Specialist (ASDCP)
- Certified Brain Injury Specialist (CBIS)

EDUCATION

Post-Doctoral master's degree, Clinical Psychopharmacology, New Mexico State University 2021-Present:

(2nd year graduate student; currently in Graduate Internship, Neurology Rotation, 750 hours supervised)

Pre-Medicine Coursework and Labs/ Front Range Community College, 2016-2019

Ph.D. Psychology, Clinical Health/Behavioral Medicine / Northcentral University, 2008

M.S. Counseling Psychology California Lutheran University, 1988 B.F.A. (Studio Art/Music Theater) University of Colorado, Boulder, 1979

❖ PROFESSIONAL LICENSES / CERTIFICATIONS

Certified Autism Spectrum Disorder Clinical Specialist # 495554

Certified Brain Injury Specialist # 115685 Brain Injury Association of America, 2018

Licensed Professional Counselor # 3290 Colorado, 2002-Present Licensed Professional Counselor #1457 Georgia, 1991-2004 Registered Psych. Assistant California 1989-1991

Registered Hypnotherapist American Hypnotherapy Assoc., 1991-present Certified Behavioral Therapist Behavior Therapist Cert. Board, 1991-present

❖ PROFESSIONAL CLINICAL EXPERIENCE

Assistant Clinical Professor, Pediatrics, Developmental Section, <u>University of Colorado</u>, <u>School of Medicine (UCSOM)</u> (08/2011-present). Faculty appointment investigating perinatal biomarkers and intrapartum exposures as risks of neurodevelopmental outcomes (ADHD & Autism Spectrum Disorder). Spearheading ancillary NIH-funded epidemiological studies (Environmental Influences on Child Health Outcomes [ECHO]). PI of national collaborative "BIG WIN" study by ECHO/National Institutes of Health.

Affiliate/Associate Psychology Faculty, Colorado State University, (02/2010-2013). Faculty appointment investigating prenatal markers of ADHD and related disorders.

Clinical Director, <u>Alpine Behavior Therapy Clinic</u> (2004-Present)

Private group practice serves adults, teens, and children. Specialize in *ADHD/ASD* (adults & children), neurodevelopmental and behavioral disorders, academic/learning issues, anger, stress management, mood disorders, anxiety, chronic illness, and female infertility. Provide parent training, evaluations. Consult on student Academic 504 / IEP Plans.

Clinical expertise is also on *Traumatic Brain Injury (TBI)*, post concussive / neurocognitive disorders, PTSD, and related comorbidities. Expert Witness services: Assessment, treatment, comprehensive, synoptic evaluations in personal injury cases. Counsel individuals, couples, families addressing TBI functional and relational impact. Utilize CBT, ACT and EMDR therapies. Liaison with neurologists, primary care providers. In-network provider for lien-based companies in personal injury cases.

Clinical Director, <u>Atlanta Behavior Therapy Clinic</u> (1991-2004)

Private group practice serving multi-aged population. Clinical expertise in ADD/ADHD and ASD (adults & children), neurodevelopmental and behavioral disorders, academic issues, parent training, mood disorders, chronic illness, TBI, PTSD and female infertility.

Psychotherapist/Researcher/ <u>Pain Control and Rehabilitation Institute of Georgia</u>, Emory University Affiliate, Department of Rehabilitative Medicine (1992-1993).

Participated in multidisciplinary (medical-psychological) team. Provided individual/group psychotherapy to acute/chronic pain/brain injured patients. Provided psychological assessments, psychoeducation, and biofeedback as coping skills for pain management. Research included treatment efficacy, patient sub-grouping and outcome response.

Registered Psychological Assistant (Multiple private group practice sites) (1989-1991):

- (1) Behavior Therapy and Family Counseling Clinic, Westlake Village, California
- (2) Westland Psychological Services, Thousand Oaks, California
- (3) Affiliated Well-Being Centre, Thousand Oaks and Lancaster, California

Social Worker IV: <u>Children's Demonstration Project of Ventura County, Colston Youth Center; Ventura, Thousand Oaks and Simi Valley, California</u> (1988-1991)

Participated in multidisciplinary team providing court-ordered psychotherapy to emotionally disturbed, incarcerated juvenile offenders. Completed extensive research on treatment efficacy of this experimental interagency model. Co-authored

collaborative research on this innovative treatment protocol.

Research Assistant / U.C.L.A. Neuropsychiatric Institute (Multiple (5) Positions):

1. Research Assistant and Psychometrist, <u>University of California</u>, <u>Los Angeles (U.C.L.A)</u>-Neuropsychiatric Institute, Camarillo State Hospital, Clinical Research Unit for the Study of <u>Treatment Refractory Schizophrenia</u> (1988-1989)

Participated in multidisciplinary research team conducting routine patient assessments, behavioral Interventions, data collection within secure medical facility. Participated in collaborative research projects evaluating psychopharmacological dosage reduction and behavioral intervention with chronic, treatment refractory schizophrenic patients. Co-authored case study on polydipsia within this clinical population.

- 2. Research Assistant, <u>U.C.L.A.</u>, <u>Neuropsychiatric Institute (NPI)</u>, <u>Camarillo State Hospital</u> (1988–1991) Participated in collaborative research project with Donahoe, C. and Eckman, T., in "Assessment of Interpersonal Problem-Solving Skills in Schizophrenics."
- 3. Research Assistant, <u>U.C.L.A.-N.P.I.</u>, <u>Camarillo State Hospital</u> (1988-1989)
 Participated in on-site, collaborative investigations with Liberman, R., Marshall, B., Bowen, L., Kuehnel, T., Kelsch, J., and Kurth, L., "The Effects of Haloperidol and Behavior Therapy in Treatment Refractory Schizophrenics: A Pilot Treatment Evaluation."
- 4. Research Assistant, <u>U.C.L.A.-N.P.I.</u>, <u>Camarillo State Hospital</u> (1988-1989)
 Participated in investigations with Bowen, L., Kuehnel, T., Lutzker, J., and Wallace, C.,
 "Assessment and Effects of Attention Deficits in Schizophrenics."
- **5.** Research Assistant, <u>U.C.L.A.-N.P.I.</u>, <u>Camarillo State Hospital</u> (1988-1989). Collaborative investigations with Bowen, L., Glynn, S., Marshall, B.D., Kurth, L. and Hayden, J., "Successful Behavioral Treatment of Polydipsia in a Schizophrenic Patient."

Research Assistant, <u>Ventura County Children's Demonstration Project</u> (1986-1988) Participated in collaborative investigations with Essex, D., and Jordan, D., evaluating treatment efficacy, cost effectiveness, recidivism rates of emotionally disturbed, juvenile offenders within an experimental, interagency model. First author, pilot project research, Psychology Master's Thesis, C.L.U.

Mental Health Associate, <u>Ventura County Mental Health, Children's Demonstration Project, Colson Youth Center, Ventura, California,</u> (1985-1988).

Participated in multidisciplinary team providing clinic services of standardized assessments, family, group, individual, aftercare treatment to coed, incarcerated, emotionally disturbed juvenile offenders within an interagency model. Spearheaded life skills curriculum as an educational component. Conducted programmatic evaluative research. Co-authored publication of results.

Senior Crisis Intervention Counselor, <u>Interface Community, Newbury Park, California</u> 1984-1985). Provided on-call crisis team intervention, emergency evaluations and outreach, in-home services to high-risk youths and families in local communities.

Employee Program Interviewer, Job Training Partnership Act (J.T.P.A.), Ventura County, CA. ('84-'85)
Recruited/interviewed youths/adults via program eligibility skills assessments and vocational training for future community job training and placement.

Paraprofessional Therapist, <u>Moffat County Youth Care Center (RCCF)</u>, <u>Craig, CO.</u> (1979-80; 1982-83). Participated in multidisciplinary team providing 24-hour treatment and supervision of adjudicated, emotionally disturbed, coed adolescents within a residential facility.

❖ RESEARCH PRESENTATIONS / SCIENTIFIC POSTER SESSIONS

Kurth, L. (July 2021). *Perinatal Neurotrauma: Complicated Childbirth and Brain Impact: Research and Implications for Pediatric Neurodevelopment*. Invited Scientific Poster Session (Online). International Brain Injury Association (IBIS) Virtual World Congress on Brain Injury.

Kurth, L. (February 2020). *Perinatal Neurotrauma: A Fresh Etiological Perspective in Pediatric Brain Injury Research.* 15th Annual NABIS Conference on Brain Injury, New Orleans, LA.

Kurth, L. (February 2020). *Who Hijacked My Brain? A Case Series of Atypical Symptoms and Functional Impairments in TBI.* 15th Annual NABIS Conference on Brain Injury, New Orleans, LA.

Kurth, L. (March 2019), *The Emerging Role of Perinatal Neurotrauma: A New Frontier in Pediatric Brain Injury.* Invited Scientific Poster Session, 13th World Congress on Brain Injury, International Brain Injury Association (IBIA). Toronto, Canada.

Kurth, L. & Sladek, C. (Nov. 2013). *Endocrine and Neurobehavioral Actions of Oxytocin: ADHD and Related Outcomes*. Faculty symposium at Progress in Reproductive Sciences (PiRS), Dept. of OB-GYN; University of Colorado School of Medicine.

Kurth, L. & Haussmann, R. (July 2013). *Perinatal Exposure to Synthetic Oxytocin: Neurodevelopmental Risk?* Data Blitz speaker and scientific poster session presented at 10th World Congress on Neurohypophysial Hormones (WCNH): University of Bristol, U.K.

Kurth, L. (November 2012). *Young Minds at Risk? Prenatal Exposure to Synthetic Oxytocin and ADHD Onset*. Speaker symposium and scientific poster session presented at 17th International APPPAH Congress: New Frontiers in Birth Psychology, San Francisco, CA.

Kurth, L. & Haussmann, R. (June 2011). *Birthing the ADHD Generation? Perinatal Pitocin as a Neurodevelopmental Risk*. Speaker symposium presented at 24th International OTIS (Organization of Teratology Information Specialists) Conference, Coronado Island, CA.

Kurth, L. & Haussmann, R. (November 2010). *Birthing the ADHD Generation: A Fresh Etiological Perspective*. Scientific research poster presented at 22nd Annual International ChADD Conference on ADHD, Atlanta, Georgia.

Kurth, L. & Haussmann, R. (June 2010). *The Relationship Between ADHD and Perinatal (Oxytocin) Pitocin Induction: Risk for Neurodevelopmental Adversity?* Scientific research poster presented at 7th International Hershey Conference on Developmental Brain Injury, Snowbird, Utah.

Kurth, C.L. (August 2009). *The Relationship Between ADHD and Perinatal (Oxytocin) Pitocin Induction: Risk for Neurodevelopmental Adversity?* Scientific research poster presented at 117th Annual Convention of the American Psychological Association, Toronto, Canada.

❖ HONORS/AWARDS

1st Place Award, APA Research Poster Contest (August 2009). The Relationship Between ADHD and Perinatal (Oxytocin) Pitocin Induction: Risk for Neurodevelopmental Adversity? American Psychological Association, Division 42. (August 2009), Presented at 117th APA Annual Convention, Toronto, Canada.

Presidential Citation Award (June 2008) Colorado Psychological Association (CPA)

Presidential Citation Award (June 2007) Colorado Psychological Association (CPA)

Psychology Final GPA: 4.0 Northcentral University (May 2008)

Psychology GPA: 3.93 California Lutheran University (1985-1988)

Dean's List, University of Denver: GPA: 4.0 (1978)

❖ PROFESSIONAL AFFILIATIONS

- Member, 2022-present, Endocrine Disrupting Chemicals (EDC) Interest Group, NYU Langone Medical Center
- *Member*, 2019-present, International Paediatric Brain Injury Society (IPBIS)
- *Member*, 2018-present, North American Brain Injury Society (NABIS)
- Member, 2017-present, Brain Injury Association of America (BIAA)
- Member, 2017-present, Brain Injury Alliance of Colorado (BIA)
- Member, 2012-present, Center for Neurosciences, Univ. of Colorado School of Medicine
- Member, 2012-present, Colorado Clinical & Translational Sciences Institute, UC SOM
- Member, 2012-2014 Association for Prenatal and Perinatal Psychology and Health
- Member, 2010-2011. American Professional Society of ADHD and Related Disorders
- *Member*, 2010-present, American Counseling Association
- Member, 2009-2010, Division 42, Psychologists in Independent Practice, APA
- Member, 2009-2013, 1991-2000, Division 38, Health Psychology, APA
- Member, 2005-present, Colorado Psychological Association
- *Member*, 1986-present. American Psychological Association (APA)
- Member, 1991-2012 Children & Adults with Attention Deficit Disorder (ChADD)
- Member, 1991-2004, Georgia Psychological Association

❖ PROFESSIONAL/COMMUNITY SERVICE

- Lobbying Advocate/HB 23-1071: RxP in Colorado (Invited/attended Governor signing on 3/3/23)
- At-Large Member, 2019-2022 Behavioral Health Policy Council (BHPC), Larimer County
- Clinical Director, 2019-present. Coffee Cart (Bobcat Chat) Program, Estes Park High School
- Chair, Program Committee, 2006-2008, Colorado Psychological Association
- *Clinical Advisory Board, Professional Member*, 2002-2004, ChADD of North Fulton and Cherokee County, Roswell, GA.

❖ PROFESSIONAL TRAINING / CONTINUING EDUCATION (Past 5 years)

2023 *Clinical Psychopharmacology Post-Doctoral Coursework*, New Mexico State University (NMSU). 20 hrs./month in-class and/or on-site supervised graduate instruction, Las Cruces, New Mexico (2021-).

- 2023 Neurological Rotation, Neurology Specialists of the Rockies, Fort Collins, 400 of 750 on-site supervised hrs. required for NMSU, MS/Clinical Psychopharmacology/RxP license, September 2022: (ongoing). 2023 Neurological Practicum, Neurology Specialists of the Rockies, Fort Collins, 80 on-site supervised hours required for NMSU, MS, Clinical Psychopharmacology (September 2022-February 2023); Completed.
- 2023 Brain Injury Advocacy, Brain Injury Awareness Month Webinar, Presenters Grey Ayotte and Heather Matty, BIAA Consumer Services (March 2023).
- 2023 Assessment and Management of Neuropsychiatric Disturbances after TBI, Brain Injury Association of America (BIAA), David Strauss Memorial Clinical Lecture, (January 2023), Durga Roy, MD, Presenter.
- 2022 Pseudobulbar Affect (PBA) in Patients with Traumatic Brain Injury, BIAA Webinar, Avanir Pharmaceuticals. Justin Rash, PharmD, Presenter (January 2022)
- 2022 Prenatal Exposures and Experiences: Impact on Children's Early Brain Developmental and Risk for Disease. Brain Behavior Research Foundation, Claudia Lugo-Candelas, Ph.D., Presenter, Columbia University (January 2022).
- 2022 Certified Autism Spectrum Disorder Clinical Specialist (February 2022), Evergreen Consultants.
- 2022 Behavioral Syndromes across the Neuropsychiatric Spectrum. Cleveland Clinic Center for Continuing Education (June 2022).
- 2021 Applying Neuroscience for the Treatment of Trauma, Anxiety and Stress Disorders. Neuroscience Certificate Course for Clinical Practice, PESI (August 2021).
- 2021 Neuroendocrine Deficiencies after Traumatic Brain Injury: A Practical Approach to Evaluation and Management (March 2021). International Brain Injury Association. Tamara Wexler, M.D., Presenter.
- 2021 Neuroinflammation, TBI and Co-Occurring Psychiatric Symptoms (March 2021). International Brain Injury Association. Lisa Brenner, Ph.D. Presenter.
- 2021 Adverse late outcomes from traumatic brain injury TBI are not unique to sport, or inevitable; TBI may be a dementia risk, but is it an inevitable outcome? (February 2021). Brain Injury Professional and NABIS: Casual Conversation # 10, Pink Concussion, Women vs. Brain Injury. W. Stewart, Ph.D. Presenter.
- 2021 Adolescent Females More Likely to be Diagnosed with an Endocrine Disorder After a TBI. (February 2021) Brain Injury Professional and NABIS: Casual Conversation # 8, Pink Concussion, Women vs. Brain Injury, J. Bryce Ortiz, PhD, Presenter.
- 2020, Advancing Neurological Therapeutics 2020: Best Practices for a Future of Comprehensive Care. (June 2020). Cleveland Clinic, Lou Ruvo Center for Brain Health. LeeAnn Mandarino, MA Presenter.
- *Kurth, L.* (2020) *Perinatal Exposures and Child Neurodevelopmental Outcomes. Annual Spring Pediatric Research (Virtual) Poster Session (May, 2020).* University of Colorado School of Medicine.
- 2020 COVID-19 ad Pregnancy: What You Need to Know. Medscape (April 27, 2020).
- 2020, Best Practices in Brain Injury Medicine and Neurorehabilitation: Improving Outcomes Through Interdisciplinary Collaboration. 2020 15th Annual NABIS Conference on Brain Injury, New Orleans, LA. (February 26-29, 2020).
- 2019 13th World Congress on Brain Injury, International Brain Injury Association (IBIA), Toronto, Canada

2019 Neuroendocrine Function after Brain Injury. Brain Injury Association of America (BIAA), webinar.

2019 Pseudobulbar Affect and Brain Injury. Brain Injury Association of America (BIAA), webinar.

2018 34th Annual Conference on Brain Injury and Behavioral Health. Brain Injury Alliance of CO., November 1-2, University of Denver.

2018 Behavioral Assessment of Youth where Comorbidity is the Norm, not the Exception, Sam Goldstein, Ph.D., Webinar.

2018 Traumatic Brain Injury, Luria Neuroscience Institute, Elkhonon Goldberg, Ph.D., ABPP

2018 **NABIS** Conference: Brain Injury Across the Age Spectrum: Improving Outcomes for Children and Adults. Houston, TX.

2018 31st NABIS Annual Conference on Legal Issues in Brain Injury, Houston, TX.

2018 Brain Injury Summit: A Meeting of the Minds, Vail, Colorado. (Hosted by Craig Hospital and The Rocky Mountain Regional Brain Injury System).

2018, EMDR 101: The Who, How and Why. Seminar, Jamie Marich, Ph.D., Speaker.

2017-2018 *Certified Brain Injury Specialist Training*, Academy of Certified Brain Injury Specialists (ACBIS), Brain Injury Association of America; Certification, 2018.

2017 The Impact of Deployment and Combat Stress on Families and Children Part II: Enhancing Resilience. Military OneSource, Department of Defense Provider Training: October 2017.

2017 Fundamentals of Traumatic Brain Injury. (July 2017). Relias Learning (APA approved).

2017 Heads Up to Clinicians: Addressing Concussions in Sports Among Kids and Teens (July 2017). Centers for Disease Control and Prevention (CDC) Course.

2017 Traumatic Brain Injury (July 2017). CEU accredited by American Nurses Credentialing Center's Commission on Accreditation.

2017 Improving Autism Risk Factors During the Perinatal Period (January 2017). Webinar: Autism Research Institute, Robert L. Hendren, D.O., Presenter.

2017 Medical Terminology (Fall, 2017). Front Range Community College (FRCC). Pre-medical coursework.

2017 Pathophysiology, Spring, 2017, Front Range Community College (FRCC). Pre-medical coursework.

2016 Human Anatomy & Physiology I & II w/Labs, Summer & Fall, 2016, FRCC. Pre-med coursework.

❖ COLLEGIATE TEACHING EXPERIENCE

Guest Lecturer (1988-1991). California Lutheran University, Counseling Psychology Graduate Program: Thousand Oaks, CA. Lecture topics included conducting research, writing research proposals, psychometric testing protocols, counseling techniques, etc.

Undergraduate Fine Arts Instructor (1984-1985). **California Lutheran University, Continuing Education: Thousand Oaks, CA.** *The Watercolor Diet; A Course in Intermediate-Advanced Techniques in Watercolor Painting.*

Undergraduate Fine Arts Instructor (1981-1983). Colorado Mountain College, Steamboat Springs, Colorado. *Watercolor as Self Expression; A Beginning Course in Watercolor Painting.*

Undergraduate Fine Arts Instructor (1979-82). Colorado Mountain College, Steamboat Springs, CO. *Advanced Water-media Painting*.

❖ SCIENTIFIC RESEARCH PROJECTS (Past 5 years)

- ❖ Intrapartum Exposure to Synthetic Oxytocin and Neurodevelopmental Outcomes in Children: Risk and Influence of Maternal BMI. Environmental Influences on Child Health Outcomes (ECHO). Nationwide NIH sponsored project. Kurth, L. (PI). University of Colorado School of Medicine, School of Public Health; Johns Hopkins University School of Medicine, School of Public Health, and multiple academic medical institutions and co- investigators (e.g., collaborators) across the U.S. (study completed in 9/2022). Submitted 2/23 for journal publication (currently under review).
- ❖ Neurodevelopmental Consequences of Prenatal Exposure to Synthetic Oxytocin? Findings from the Healthy Start Study. University of Colorado School of Medicine. Anschutz Medical Campus. Ancillary project(s) of the Healthy Start Study (NIH funded ancillary study, UC SOM Dept. of Epidemiology). Shapiro, A., (PI) Kurth, L., Dabelea, D., Sladek, C., Burd, I., Glueck, D. and Ringham, B. (study currently ongoing).
- ❖ Assessing Neurobehavioral Consequences of Perinatal Exposure to Synthetic Oxytocin.
 University of Colorado School of Medicine, Anschutz Medical Campus. Pharmaceutical (SHIRE) grant-funded project (translational animal [rat] model). 10/2013-10/2014. Sladek, C. (P.I.), Kurth, L., Friedman, S., Mesches, M., Busquet, N., and Manuel, C. (study completed).

❖ SCHOLARLY POSITIONS	
021-present. Journal Reviewer, Research on Child and Adolescent Psychopathology	
015-present. Journal Reviewer, Journal of Abnormal Child Psychology	

2012-present. *Journal Reviewer*, *Journal of Attention Disorders*
